Shōru, an ordinary high school student, is always accompanied by two very popular, good-looking guys. Just because he's weak and helpless, Akiru thinks Shōru should become more independent, but Shōru won't let the suppressed emotions of those two guys on his back. Meanwhile, those two guys will, over every inch of his body, set off a Love Explosion! In addition to the title work, this volume includes a collection of super-erotic short stories. ♥
